

"Stewards for freedom in Person"

Person County Republican Party P.O. Box 55 Hurdle Mills, NC 27541

Memorandum of Record

Date: March 2, 2026

To: Person County GOP (PCGOP) Members

From: Person County Republican Party

Subject: The PCGOP Officers & associated county party Facebook page assets

- 1) On March 1, 2025 the PCGOP Republicans had their Annual Convention, and during which, delegates elected new officers. These elected officers are:

- Kathy Lawrence (Chair)
- Paul Lynch (Vice Chair)
- Ken Lawrence (Secretary)
- Jimmie Whitfield (Treasurer)

Since their election, the four individuals named above have been in office, and they are still in office. This list of officers is published on the PCGOP website (https://person.nc.gop/executive_board), and on the NC District-13 GOP website (https://district13.nc.gop/district_leadership).

- 2) After the 2025 Convention, the previous PCGOP officers were supposed to deliver the 'super admin' passwords (provide highest level admin rights) for the Person County Republicans Facebook page (which has served as the official party page for years) to the new PCGOP officers. These previous officers have FAILED to do their duty regarding the transfer of this official party asset (passwords).
- 3) On February 28, 2026, an anonymous person published a false claim on the Facebook *Person County Republicans* page saying that the PCGOP Executive Committee had voted to remove PCGOP Chairwoman Kathy Lawrence from office. This is false!
The post
 - Was shared on the *Person County Republicans* Facebook page having about 1.7K followers.

- Was placed (in addition to other false posts) by rogue administrators who had removed the content posting rights of all PCGOP elected officers in January.
 - Seemed to be based on an unofficial gathering among a subset of CEC members plus two other Republicans. The voting results of such gathering were invalid and unacknowledged.
- 4) In addition, the rogue admins/moderators of the Person County Republican Facebook group:
- Deleted PCGOP announcements
 - Deleted District-13 GOP announcements
 - Deleted a NCGOP press release
- 5) Consequently, the PCGOP has established a replacement page for their official Person County Republicans Party Facebook page at <https://www.facebook.com/profile.php?id=61587136412771>
